

V. B. Glencoe Charter School 2026 – 2027 Fee Schedule

V. B. Glencoe Charter School provides a range of programming to students across academic, social, extracurricular, athletic, and other domains. As outlined in our Charter document, V. B. Glencoe Charter School strives to provide hands-on and experiential activities to all students and strives to create these programs with minimal contributions (fees) from families and participating students. All fees requested will be communicated to families as early as possible, and a clear waiver process will be made available to ensure no undue economic hardship is caused by student fees (See below.)

List of Fees

The V. B. Glencoe Director will create a description of all fees to be collected by the school. All fees will be approved by the Board of Directors of the school. V. B.
