## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of  
Glencoe Education Foundation, Inc.  
Franklin, Louisiana

### **Report on the Audit of the Financial Statements**

#### ***Opinion***

We have audited the accompanying financial statements of Glencoe Education Foundation, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2025 and 2024, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of Glencoe Education Foundation, Inc. (the Foundation) as of June 30, 2025 and 2024, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Foundation and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Supplementary Information***

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of compensation, benefits, and other payments to agency head and schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements.

The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of compensation, benefits, and other payments to agency head and the schedule of expenditures of federal awards are fairly stated, in all material respects, in relation to the financial statements as a whole.

The schedule of the governing board and the schedule of insurance in force have not been subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

**Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated December 19, 2025, on our consideration of the Foundation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Foundation's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Foundation's internal control over financial reporting and compliance.

GLENCOE EDUCATION FOUNDATION, INC.  
Franklin, Louisiana

Notes to the Financial Statements

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Glencoe Education Foundation, Inc. (the Foundation) was founded in 1999 as a nonprofit organization incorporated under the laws of the State of Louisiana. The Foundation is dedicated to providing for and maintaining an optimum learning environment in which all enrolled children are afforded the opportunity to achieve, attain goals and excel as students and as individual citizens of the world. The focus of instruction is child-centered with curricula designed to meet the educational, social, physical, and emotional needs of each learner as a whole person. The Foundation operates Glencoe Charter School, which is an approved Type 2 charter school under Louisiana Revised Statute 17:3991. The school's operations are located in Franklin, Louisiana. Open student enrollment began in August 1999. During its first year of operations (fiscal year ended June 30, 2000), the school had grades kindergarten through fifth. It has since expanded to add a Pre-k program and grades sixth through twelfth. The Foundation is governed by a board of directors and managed by a director.

Income Tax Exemption

The Foundation is an exempt organization for federal income tax purposes under Section 501(c)(3) of the Internal Revenue Code. Additionally, the Internal Revenue Service has determined that the Foundation does not qualify as a private foundation within the meaning of Section 509(a) of the Internal Revenue Code. Therefore, no provision for income taxes has been made in the accompanying financial statements.

Basis of Accounting

The accompanying financial statements of the Foundation have been prepared on the accrual basis of accounting which follows the recommendations of the Financial Accounting Standards Board in its Statement of Accounting Standards Codification No. 958-205-20, Not-for-Profit Entities – Presentation of Financial Statements. Under FASB ASC 958-205-20, the organization is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions. Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Foundation and changes therein are classified and reported as follows:

Net Assets without Donor Restrictions – Net assets without donor restrictions are resources available to support operations and not subject to donor or grantor restrictions.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Basis of Accounting (Continued)

*Net Assets with Donor Restrictions* - Net assets with donor restrictions are resources that are subject to donor-imposed or grantor-imposed restrictions. Some restrictions are temporary in nature, such as those that are restricted by a donor for use for a particular purpose or in a particular future period. Other restrictions may be perpetual in nature, such as those that are restricted by a donor that the resources be maintained in perpetuity. The Foundation had net assets restricted by donors in the amounts of \$63,186 and \$40,439 June 30, 2025 and 2024, respectively. Restricted amounts represent grant funding to be used for future expenditures.

Revenue Recognition

On May 28, 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2014-09, Revenue from Contracts with Customers (Topic 606). The standard prescribes a single model for revenue recognition, with a set of principles to be used for determining when revenue should be recognized. It also requires expanded disclosures about the nature, amount, and timing of revenue and cash flows. This standard was effective beginning January 1, 2019.

Revenue is recognized when earned. Program service fees and payments under cost reimbursable contracts received in advance are deferred to the applicable period in which the related services are performed, or expenditures are incurred, respectively. Contributions are recognized when cash, or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met or the donor has explicitly released the restriction.

Tuition

Revenues from tuition and fees are recognized in the year in which they are earned. Tuition and fees collected in the current year that apply to the subsequent year are deferred.

Transaction price – The transaction price of Pre-k tuition revenue is based on a fixed fee schedule based on the student's parents' gross income and family size.

Performance obligations – The Foundation allows students to attend Glencoe Charter School to obtain their education.

Tuition revenue is recognized over the time in which the performance obligations are met. Performance obligations are met monthly as the school year progresses. All contracts for tuition revenue are consistent with the school's fiscal year, and do not span multiple years. Contracts are entered into with the student's guardians. These contracts are legally binding and enforceable.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue With and Without Donor Restrictions

Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. Contributions of property and equipment are reported as net assets with donor restrictions if the donor restricted the use of the property or equipment to a particular program, as are contributions of cash restricted to the purchase of property and equipment. Otherwise, donor restrictions on contributions of property and equipment or assets restricted for purchase of property and equipment are considered to expire when the assets are placed in service.

All other donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the Statement of Activities as net assets released from restrictions.

Receivables

Receivables are carried at cost less an allowance for credit losses. Based on the payment nature of the receivables, management considers all amounts to be collectible; therefore no allowance was considered necessary as of June 30, 2025.

Allowance for Credit Losses

An allowance for credit losses is an estimate based upon historical account write-off trends, facts about the current financial condition of the debtor, forecasts of future operating results based upon current trends and macroeconomic factors. Credit quality is monitored through the timing of payments compared to payment terms and known facts regarding the financial condition of debtors. Accounts receivable balances are charged off against the allowance for credit losses after recovery efforts have ceased.

Functional Allocation of Expenses

The statement of activities presents expenses of the Foundation's operations functionally between instruction, support services and non-instructional. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Donated Services

The Foundation receives donated services from unpaid volunteers who assist in program services during the year; however, these donated services are not reflected in the statements of activities because the criteria for recognition under FASB ASC 958-605-25 have not been satisfied.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Property and Equipment

All capital assets are capitalized that have a cost or estimated cost of \$5,000 or more. Donated assets are recorded as capital assets at their estimated fair market value at the date of donation. Depreciation is computed using the straight-line method at rates based on the following estimated useful lives:

	Years
Transportation equipment	5
Furniture and equipment	5 - 20
Buildings and improvements	15 - 40

Expenses for additions, major renewals, and betterments are capitalized. Expenses for maintenance and repairs are charged to expense as incurred.

Compensated Absences

All twelve-month employees earn vacation leave each year based on years of experience. After one year, 10 days are earned; after four years, 11 days are earned; after five years, 13 days are earned; after ten years, 15 days are earned; after fifteen years, 17 days are earned; and after twenty years, 19 days are earned. A maximum of 10 days can be carried to the next year. Upon discharge or final retirement, all unused and/or accrued vacation leave is paid to the employee at the employee's current rate of pay.

Nine-month employees earn 10 days of sick leave each year. Ten-month employees earn 11 days of sick leave each year. Eleven-month employees earn 12 days of sick leave each year. Twelve-month employees earn sick leave based on the number of years of full-time employment with the Foundation. After one year, 12 days are earned; after four years, 15 days are earned; and after ten years, 18 days are earned. Sick leave may be accumulated. No sick leave is paid upon resignation. Upon retirement or death, unused accumulated sick leave of up to 25 days is paid to the employee or the employee's estate at the employee's current rate of pay.

Under the Teachers' Retirement System of Louisiana and the Louisiana School Employees' Retirement System, all unpaid sick leave, which excludes the 25 days paid, is used in the retirement benefit computation as earned service.

In accordance with the provisions of FASB ASC 710, *Compensation – General*, no liability is recorded for non-vesting accumulating rights to receive sick pay benefits.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash and Cash Equivalents

For the purposes of the statement of cash flows, the Foundation considers all highly-liquid investments to be cash equivalents. The Foundation did not have any cash equivalents at June 30, 2025 and 2024.

Inventory

Inventory consists of commodities granted by the United States Department of Agriculture through the Louisiana Department of Agriculture. The commodities are recorded as revenues when received; however, all inventories are recorded as expenses when consumed. Values are assigned based on information provided by the United States Department of Agriculture.

Advertising Costs

Advertising costs are expensed as incurred. Total advertising expense was \$744 and \$881 for the fiscal years ended June 30, 2025 and 2024, respectively, and are included in Miscellaneous on the Statements of Functional Expenses.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Fair Value of Financial Instruments

The Foundation defines the fair value of a financial instrument as the amount at which the instrument could be exchanged in a current transaction between willing parties. Financial instruments included in the Foundation's financial statements include cash and cash equivalents, receivables, and other assets. Unless otherwise disclosed in the notes to the financial statements, the carrying value of financial instruments is considered to approximate fair value due to the short maturity and characteristics of those instruments.

**GLENCOE EDUCATION FOUNDATION, INC.**  
Franklin, Louisiana

Notes to the Financial Statements

**NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Leases**

The Foundation leases certain real property. The determination of whether an arrangement is a lease is made at the lease's inception. Under ASC 842, a contract is (or contains) a lease if it conveys the right to control the use of an identified asset for a period of time in exchange for consideration. Control is defined under the standard as having both the right to obtain substantially all of the economic benefits from use of the asset and the right to direct the use of the asset. Management only reassesses its determination if the terms and conditions of the contract are changed.

Operating leases are included in operating lease right-of-use ("ROU") assets, current portion of operating lease liabilities, and long-term portion of operating lease liabilities in the Foundation's statements of financial position.

ROU assets represent the Foundation's right to use an underlying asset for the lease term, and lease liabilities represent the Foundation's obligation to make lease payments. Operating lease ROU assets and liabilities are recognized at the lease commencement date based on the present value of lease payments over the lease term. The Foundation uses the implicit rate when it is readily determinable. Since the Foundation's lease does not provide an implicit rate, to determine the present value of lease payments, management uses the Foundation's incremental borrowing rate based on the information available at lease commencement. Operating lease ROU assets also includes any lease payments made and excludes any lease incentives. Lease expense for lease payments is recognized on a straight-line basis over the lease term. The Foundation's lease terms may include options to extend or terminate the lease when it is reasonably certain that we will exercise the option.

**Subsequent Events**

Subsequent events were evaluated through December 19, 2025, which is the date the financial statements were available to be issued.

**NOTE 2 CASH AND CERTIFICATES OF DEPOSIT**

The Foundation may invest in United States bonds, notes, or bills as well as certificates and time deposits of state banks organized under Louisiana law and national banks having principal offices in Louisiana. At June 30, 2025, the Foundation had cash and interest-bearing deposits (book balances) totaling \$6,222,582.

GLENCOE EDUCATION FOUNDATION, INC.  
Franklin, Louisiana

Notes to the Financial Statements

NOTE 2 CASH AND CERTIFICATES OF DEPOSIT (CONTINUED)

Custodial Credit Risk – Deposits

Custodial credit risk is the risk that in the event of a bank failure, the Foundation's deposits may not be returned to it. The Foundation maintains cash balances at two financial institutions. Accounts are insured by the Federal Deposit Insurance Corporation (FDIC insured) and the Securities Investor Protection Corporation (SIPC insured) up to \$250,000 at each institution. Additionally, the Foundation had \$5,700,000 of collateral held by the pledging bank's agent not in the Foundation's name. At June 30, 2025, the uninsured balance was \$377,657. The Foundation believes it is not exposed to any significant credit risk on its cash balances.

Assets Restricted to Payment of Long-term Debt

Under the terms of two loans with the USDA, the Foundation is required to maintain cash balances in separate bank accounts, reserved for the repayment of long-term debt equal to the total principal and interest to be paid in one fiscal year. At June 30, 2025, the Foundation had bank balances in those reserve accounts totaling \$140,761, of which \$99,924 was restricted to payment of long-term debt.

NOTE 7 PENSION PLANS

Eligible employees of the Foundation participate in one of two cost-sharing, multiple-employer defined benefit pension plans, which are controlled and administered by a separate board of trustees. These retirement systems provide retirement, disability, and death benefits to plan members and their beneficiaries. Pertinent information relative to each plan follows.

Teachers' Retirement System of Louisiana – Regular

For the fiscal year ended June 30, 2025, plan members were required to contribute 8.0% of their annual covered salary to the system while the Foundation was required to contribute the statutory rate of 21.51% of total annual covered payroll. The Foundation was also required to contribute the statutory rate of 24.1% of total annual covered payroll for the fiscal year ended June 30, 2024.

NOTE 7 PENSION PLANS (CONTINUED)

The Foundation's contributions to the system for the fiscal years ended June 30, 2025 and 2024 were \$683,238 and \$672,619, respectively, equal to the required contribution for each year.

A publicly available financial report that includes financial statements and required supplemental financial information may be obtained by writing to the Teachers' Retirement System of Louisiana, P.O. Box 94123, Baton Rouge, Louisiana 70804-9123, or by calling (225) 925-6446.

Louisiana School Employees' Retirement System

For the fiscal year ended June 30, 2025, plan members were required to contribute 7.5%, or 8.0% for members employed subsequent to July 1, 2010, of their annual covered salary to the system while the Foundation was required to contribute the statutory rate of 25.8% of total annual covered payroll. The Foundation was also required to contribute the statutory rate of 27.6% of total annual covered payroll for the fiscal year ended June 30, 2024.

The Foundation's contributions to the system for the fiscal years ended June 30, 2025 and 2024 were \$32,846 and \$32,363, respectively, equal to the required contribution for each year.

A publicly available financial report that includes financial statements and required supplemental financial information may be obtained by writing to the Louisiana School Employees' Retirement System, P.O. Box 44516, Baton Rouge, Louisiana 70804-4516, or by calling (225) 925-6484.

NOTE 8 LEASE COMMITMENT

The Foundation entered into a non-cancelable operating lease for immovable property with Glencoe-Vacherie Plantation, LLC, which is a related party as a result of one of the Foundation's board members being a managing member in the entity. The lease calls for four quarterly payments of \$6,300 per year, beginning January 1, 2024 for a lease term of fifty years to expire on December 31, 2074. The lease does not contain an implicit rate; therefore, the Foundation determined the present value of the lease liability using its incremental borrowing rate at the lease commencement date.

NOTE 9 OTHER POST-EMPLOYMENT BENEFITS

The Foundation provides post-employment healthcare and life insurance benefits for substantially all employees if they reach normal retirement age while working for the Foundation. The Foundation's employees may participate in the State of Louisiana's Other Postemployment Benefit Plan (OPEB Plan), an agent multiple-employer defined benefit OPEB Plan that provides medical and life insurance to eligible active employees, retirees, and their beneficiaries. The State administers the plan through the Office of Group Benefits (OGB). Louisiana Revised Statutes 42:801-883 assigns the authority to establish and amend benefit provisions of the plan. The OGB does not issue a publicly available financial report of the OPEB Plan; however, it is included in the State of Louisiana Comprehensive Annual Financial Report (CAFR). A copy of the CAFR may be obtained on the Office of Statewide Reporting and Accounting Policy's website at [www.doa.louisiana.gov/osrap](http://www.doa.louisiana.gov/osrap).

The Foundation's contributions to the plan for the fiscal years ended June 30, 2025 and 2024 were \$455,128 and \$372,858, respectively.

NOTE 10 COVID-19 PANDEMIC

As a result of the COVID-19 pandemic, under the Elementary and Secondary School Emergency Relief Fund (ESSER Fund) and the Government Emergency Education Relief Fund (GEER Fund), the Department of Education has awarded grants to State Educational Agencies (SEAs) for the purpose of providing local educational agencies (LEAs), including charter schools that are LEAs, with emergency relief funds to address the impact that Novel Coronavirus Disease 2019 (COVID-19) has had, and continues to have, on elementary and secondary schools across the nation. LEAs must provide equitable services to students and teachers in non-public schools as required under the Coronavirus Aid, Relief, and Economic Security Act (CARES Act). The Foundation was awarded \$1,888,775 under various CARES Act ESSERF grants during the fiscal years ended June 30, 2025, 2024, 2023, 2022 and 2021. The award periods range from January 1, 2021 to September 30, 2024. As of June 30, 2025, the Foundation had earned \$1,883,218, forfeiting \$5,557.

AND  
OTHER MATTERS**

INDEPENDENT AUDITOR'S REPORT ON INTERNAL  
CONTROL OVER FINANCIAL REPORTING AND ON  
COMPLIANCE AND OTHER MATTERS BASED ON AN  
AUDIT OF FINANCIAL STATEMENTS PERFORMED IN  
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors of  
Glencoe Education Foundation, Inc.  
Franklin, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Glencoe Education Foundation, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2025 and 2024, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements, and have issued our report thereon dated December 19, 2025.

### **Report on Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Glencoe Education Foundation, Inc.'s (the Foundation) internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, we do not express an opinion on the effectiveness of the Foundation's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that were not identified.

## **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Foundation's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose. Under Louisiana Revised Statute 24:513, this report is distributed by the Louisiana Legislative Auditor as a public document; therefore, its distribution is not limited.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE  
FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL  
OVER COMPLIANCE REQUIRED BY THE *UNIFORM GUIDANCE***

To the Board of Directors of  
Glencoe Education Foundation, Inc.  
Franklin, Louisiana

**Report on Compliance for Each Major Federal Program**

***Opinion on Each Major Federal Program***

We have audited Glencoe Education Foundation, Inc.'s (the Foundation) compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of the Foundation's major federal programs for the year ended June 30, 2025. The Foundation's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Foundation complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2025.

***Basis for Opinion on Each Major Federal Program***

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 *U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Foundation and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Foundation's compliance with the compliance requirements referred to above.

***Responsibilities of Management for Compliance***

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Foundation's federal programs.

### ***Auditor's Responsibilities for the Audit of Compliance***

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Foundation's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Foundation's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Foundation's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Foundation's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

### **Report on Internal Control Over Compliance**

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

This report is intended solely for the information and use of the Board of Directors, management, others within the entity, federal awarding agencies, and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties. Under Louisiana Revised Statute 24:513, this report is distributed by the Louisiana Legislative Auditor as a public document.

**Notes to the Schedule of Expenditures of Federal Awards**  
**Year Ended June 30, 2025**

**NOTE 1 BASIS OF PRESENTATION**

The schedule of expenditures of federal awards includes the federal grant activity of Glencoe Education Foundation, Inc. (the Foundation) under programs of the federal government for the year ended June 30, 2025. The information in this schedule is presented in accordance with the requirements of OMB *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the schedule presents only a selected portion of the operations of the Foundation, it is not intended to and does not present the financial position or changes in net assets of the Foundation.

**NOTE 2 BASIS OF ACCOUNTING**

Expenditures reported on the schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in OMB Circular A-87, *Cost Principles for State, Local, and Indian Tribal Governments*, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Pass-through entity identifying numbers are presented where available.

**NOTE 3 RELATIONSHIP TO FEDERAL FINANCIAL REPORTS**

Amounts reported in the accompanying schedule agree with the amounts reported in the related federal financial reports except for changes made to reflect amounts in accordance with accounting principles generally accepted in the United States of America.

**NOTE 4 INDIRECT COST RATE**

The Foundation has not elected to use the de minimis indirect cost rate permitted under 2 CFR §200.414(f). Indirect costs, if applicable, are allocated in accordance with the Foundation's cost allocation plan or as specified by the terms of the federal award.

**NOTE 5 NATIONAL SCHOOL LUNCH PROGRAM – NON-CASH ASSISTANCE**

Non-cash assistance is reported in the schedule at the fair market value of the USDA commodities received and disbursed.

## INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES

To the Board of Directors of  
Glencoe Education Foundation, Inc.  
Franklin, Louisiana,  
the Louisiana Department of Education,  
and the Louisiana Legislative Auditor:

We have performed the procedures enumerated below on the performance and statistical data accompanying the annual financial statements of Glencoe Education Foundation, Inc. (the Foundation) for the fiscal year ended June 30, 2025; and to determine whether the specified schedules are free of obvious errors and omissions, in compliance with Louisiana Revised Statute 24:514.1. Management of the Foundation is responsible for its performance and statistical data.

The Foundation has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of the engagement, which is to perform specified procedures on the performance and statistical data accompanying the annual financial statements. Additionally, the Louisiana Department of Education and the Louisiana Legislative Auditor have agreed to and acknowledged that the procedures performed are appropriate for their purposes. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

The procedures and associated findings are as follows:

### General Fund Instructional and Support Expenditures and Certain Local Revenue Sources (Schedule 1)

1. We selected a sample of 25 transactions, reviewed supporting documentation, and observed that the sampled expenditures/revenues are classified correctly and are reported in the proper amounts among the following amounts reported on the schedule:

- Total General Fund Instructional Expenditures,
- Total General Fund Equipment Expenditures,
- Total Local Taxation Revenue,
- Total Local Earnings on Investment in Real Property,
- Total State Revenue in Lieu of Taxes,
- Nonpublic Textbook Revenue, and
- Nonpublic Transportation Revenue.

The Foundation does not receive local taxation revenue, local earnings on investment in real property, state revenue in lieu of taxes, nonpublic textbook revenue, or nonpublic transportation revenue.

Exceptions Noted: None.

Class Size Characteristics (Schedule 2)

2. We obtained a list of classes by school, school type, and class size as reported on the schedule. We then traced a sample of 10 classes to the October 1 roll books for those classes and observed that the class was properly classified on the schedule.

Exceptions Noted: None.

Education Levels/Experience of Public School Staff (No Schedule)

3. We obtained October 1 PEP data submitted to the Department of Education (or equivalent listing prepared by management), including full-time teachers, principals, and assistant principals by classification, as well as their level of education and experience, and obtained management's representation that the data/listing was complete. We then selected a sample of 25 individuals, traced to each individual's personnel file, and observed that each individual's education level and experience was properly classified on the PEP data or equivalent listing prepared by management.

Exceptions Noted: During our testing over public school staff experience, we noted three exceptions when comparing years of experience in the Profile of Educational Personnel (PEP) file to the related employee's personnel file for 25 teachers, principals, and assistant principals tested. Two teachers' years of experience was overstated on the PEP by 1 year. One teacher's years of experience was understated on the PEP by 1 year.

Public School Staff Data: Average Salaries (No Schedule)

4. We obtained June 30 PEP data submitted to the Department of Education (or equivalent listing provided by management) of all classroom teachers, including base salary, extra compensation, and ROTC or rehired retiree status, as well as full-time equivalents, and obtained management's representation that the data/listing was complete. We then selected a sample of 25 individuals, traced to each individual's personnel file, and observed that each individual's salary, extra compensation, and full-time equivalents were properly included on the PEP data (or equivalent listing prepared by management).

Exceptions Noted: None.

We were engaged by the Foundation to perform this agreed-upon procedures engagement and conducted our engagement in accordance with attestation standards established by the American Institute of Certified Public Accountants, and the standards applicable to attestation engagements contained in *Government Auditing Standards*, issued by the United States Comptroller General. We were not engaged to and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on the performance and statistical data. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the Foundation and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our agreed-upon procedures engagement.

This report is intended solely to describe the scope of testing performed on the performance and statistical data accompanying the annual financial statements of the Foundation, as required by Louisiana Revised Statute 24:514.I, and the result of that testing, and not to provide an opinion on control or compliance. Accordingly, this report is not suitable for any other purpose. Under Louisiana Revised Statute 24:513, this report is distributed by the Louisiana Legislative Auditor as a public document.
