### **Parental/Guardian Consent Form**

We are sending you this parental/guardian consent form to both inform you and to request permission for your child's photo/image and personally identifiable information to be published on the school's website, Facebook page, yearbook, bulletin boards and digital classrooms.

As you are aware, there are potential dangers associated with posting of personally identifiable information on a website since global access to the internet does not allow us to control who may access such information. These dangers have always existed; however, we as a school do wish to celebrate your child and his/her work. The law requires we ask for your permission to use information about your child.

Pursuant to law, we will not release any personally identifiable information without prior written consent from you as a parent or guardian. The personally identifiable information we are asking to use may include first name, photographs or images; class; and school name.

If you, as the parent or guardian, wish to rescind this agreement, you may do so at any time in writing by sending a letter to the director of your child's school, and such rescission will take effect upon receipt by the school.
